About The Summit

In the “Amrit Kaal” of Independence, we are marching ahead rapidly to create a transparent system, efficient process and smooth governance to make Industrial development all-round and all-inclusive. The summit will address crucial themes central to achieving Corporate Excellence and Sustainable Growth in all industrial sectors. The deliberations will revolve around making India a global leader through leveraging advanced technologies. Sustainable manufacturing practices, circular economy principles, and the integration of environmentally friendly processes will be explored to ensure long-term ecological balance. Additionally, the summit will delve into fostering collaboration among industry players, global partnerships, and skill development initiatives to fortify the role of different Industries in realizing India's vision for 2047.

Welcome to the India Vision 2047 Summit, a dynamic platform meticulously designed for industry leaders, innovators, and professionals to converge and chart the course for Navigating Corporate Excellence and Sustainable Growth. In the rapidly evolving landscape of Banking, Financial Services, and Insurance (BFSI), Fast-Moving Consumer Goods (FMCG), and Information Technology & IT Enabled Services (IT&ITES), the summit serves as a beacon guiding participants through the intricate challenges and opportunities of the future. With a strategic focus on India's vision for 2047, the summit is a pivotal event that brings together thought leaders and visionaries to explore innovative strategies, cutting-edge technologies, and collaborative approaches that will shape the trajectory of these vital sectors.

At the heart of the summit lies a commitment to fostering workplace transformation, a theme paramount in the pursuit of sustainable growth. The summit aims to unravel the complexities of the modern workplace, emphasizing the critical need for organizations to embrace excellence and adaptability. Participants will delve into discussions surrounding the adoption of transformative technologies, changing paradigms of employee expectations, and the pivotal role of corporate cultures in the journey towards sustainable growth. The summit stands as a testament to the proactive stance of the BFSI, FMCG, and IT&ITES sectors in steering their enterprises towards a future marked by innovation, resilience, and holistic success.

Scheduled to take place on 24th February 2024 at the esteemed Hotel Radisson Blu, Ghaziabad, the India Vision 2047 Summit is not merely a conference but a collaborative forum where leaders converge to share experiences, insights, and best practices. With an unwavering commitment to staying ahead of the curve, the summit endeavors to equip participants with actionable strategies, fostering a collective vision for the future. Join us on this transformative journey, where excellence meets sustainability, and together, we navigate towards a future defined by corporate brilliance and enduring growth.
